

**“Are You Covered?”** – This science illustration depicts common experience and astounds people of all ages while teaching the connection of the forgiveness of our sins and the shed blood of Jesus Christ. It is one powerful illustration! Each small group of 8-10 children will need:

Plastic Spoon (Item is reused.)

2 Clear Plastic Cups (Item is reused.)

Water in Cups + 4 colors of Food Coloring (make black/dark water)

2 Tablespoon of Fine Sand

Magic Science Sand\* (Purchase 1 pound per every 3 small groups.)

*\* = Indicates special item to be purchased*

*Tips for Success: (1) Mix the food coloring in cups of water prior to students’ arrival at each small group station. (2) Fill small Dixie Cups with the two types of sand, and have them ready at each station.*
