

***“In the Light!”*** – This amazingly, memorable, science experience illustrates the power of light and of being in the Light by using the scriptural passage 1 John 1:3-9.

Each small group of 8-10 children will need:

- UV Beads\* (8-10 per child)
- Leather Cord for Bracelet
- Scissors (Item is reused.)
- UV light, Black Light, or Sunshine (Item is reused.)

*\* = Indicates special item to be purchased*

*QUICK TIP: Sort the beads and cut leather cords, knotted on one end, into individual baggies for each student, so everything is ready for student assembly.*
