

“White as Snow!” – Today’s devotional is a wondrous and unforgettable, visual and tactile, science lesson from Isaiah 1:18 and Romans 10:13 that illustrates how God can transform His people’s red-stained sins into something as white as snow!

Each small group of 8-10 children will need:

- 2 Styrofoam Cups (Items are reused.)
- Warm Water in One of the Styrofoam Cups (filled 3/4 full)
- Instant Snow* (Purchase 1 pound per every 25 students)

** = Indicates special item to be purchased*

Tips for Success: (1) *Fill cups of warm water to be ready as students arrive.* (2) *Set disposable paper plates at each station so groups can pour out the snow and explore!* (3) *Place trashcans nearby and ask groups to assist in cleaning up.*
