

“Trust” Science Devotionals

Devotional #1 “Red Oil Devotion” – 20 minutes

“Your sin separates us from God” - An amazing chemical demonstration is preformed to showcase that our sin separates us from God and nothing we seek to do can fix the problem! Jesus is the simple solution to this complex problem. Will we chose His simple plan for our problem of sin? This Science Devotion explores Acts 2:21 & Isaiah 59:1-2.

Each small group of 8-10 children will need:

- Enviro Bond 403 * (8-10 per child)
- Large Beaker or glass cup
- Water
- Plastic/rubber gloves
- Red Marvel Mystery Oil (Auto Parts Store)

* = Indicates special item to be purchased

Tips for Success:

Practice this demonstration at least one time prior to students arrival.
Consider doing this demonstration to a large group of multiple small groups as opposed to each individual small group doing the experiment themselves

Ready –

#1 – Getting Organized: To successfully organize your devotional materials, consider purchasing and gathering all the needed materials for the Science Devotional lessons and placing all 10 items into a plastic tub. Allow your small group leaders to check out a tub of the 10 science items, preview the contents, and become familiar with how each Science Devotional lesson works prior to the week of your program.

#2 – Science Devotional Items to Purchase – Each Science Devotional requires special items you’ll need to order.
