The 1-Hour Stage Show

The Amazing Chemistry Show is a 32-foot stage production filled with fire, explosions and foam, all set to music. With audience involvement, laughter and fun, the message of Jesus Christ is clearly communicated using powerful illustrations. [Learn More](#)

The Day of Science

Reach your local school with Hands-On Rotations + a One-Hour Show. All materials are provided in this all day S.T.E.M. event. Includes an invitation to an evening gospel-centered science experience at your church! [Learn More](#)

The Family Experience

An interactive, 3-hour event, with over 170 hands-on science experiences. This "Traveling Science Center" brings enriching experiences through a powerful context - the family. Concludes with a gospel message through the One Hour Stage Show! [Learn More](#)

Josh Denhart is a former High School Chemistry Teacher turned Children's pastor. Josh is a seasoned educator with a BA in Chemistry Education, a MA in Effective Instruction and earned National Board Certification in Young Adult/Adolescent Science. After 10 years as a pastor, Josh transitioned all his vocational energies to KidMin Science. www.TheAmazingChemistryShow.com
