*"And I heard a loud voice from the throne saying, "Look! God's dwelling place is now among the people, and he will dwell with them. They will be his people, and God himself will be with them and be their God. He will wipe every tear from their eyes. There will be no more death or mourning or crying or pain, for the old order of things has passed away."*  
Revelation 21:3-4

## **Mirror, Mirror**

### **- The Concave and Convex Mirror**

1. Read 1st Corinthians 13:12 out loud. How does this compare life on earth and life in heaven?
2. Examine the unique mirror. One side curves in (concave) the other side curves out (convex).
3. Look at yourself in the concave (curves in) side of the mirror.  
What do you see?
4. How is the concave mirror similar to how life is right now on earth?
5. Read Revelation 21:1-4 out loud. How does this compare life on earth and life in heaven?
6. Look at yourself in the convex side (curves out) of the mirror.  
Now what do you see?
7. How does this mirror help explain the differences of life on earth and heaven someday?

**The Main Point:** The sad ways of earth will one day be turned around and set straight in heaven!
